## Edmonds SCHOOL DISTRICT

Each student learning, every day!

### Our Commitment

#### Equity of Opportunity

- We ensure a foundation of equity by: engaging families, students, and community; strengthening leadership; and rigorous teaching and learning
- We interrupt inequities to eliminate learning gaps based on race, background and/or circumstances
- We hold ourselves accountable to equity

#### Effective Learning for All Students

- We engage each student in meaningful, relevant learning
- We inspire each student to pursue interests, through higher-level thinking
- We prepare each student to pursue and accomplish their life and work-related goals

#### PreK-3rd Grade Early Learning

- We respect families as our most important partners
- We collaborate and align with our community partners to maximize early learning
- We create a supportive, equitable foundation for learning

#### Graduates Who Are Ready for Life

- We develop resilient, participating members of the community
- We equip each student with academic and relational skills
- We prepare each student for changing global realities, technologies and workforce expectations
